

Literature-Based Program (Reading)

Beginning Reading

No information available.

Upper Elementary School

Literature-Based Program has limited evidence of effectiveness for upper elementary school reading. The one qualifying study included in this review showed an effect size of +0.21.

Middle/High School

No information available.

About Literature-Based Program

Literature-Based Program is a reading approach that supplements traditional basal textbooks with extensive literature in many genres, independent reading and writing periods, directed reading/listening thinking activities, read-aloud sessions, and classroom literacy centers.
